News

From January into February

We have our annual spring meet coming up soon in April. Last year this event was held on the same day as C&O. We'd like to get feedback from the club and see what you would like to happen this year.

Do you all want it on the same day as C&O or do you want to have it on another weekend in April?

As a reminder, the Spring event is focused on family and friends and not necessarily a "car" meet. The club pays for the venue, which will likely be a pavilion at Red Top Mountain again, through our merch sales.

Since a big focus for us is maximizing attendance, please take a second to [vote on this post](#) to help decide when our annual BBQ takes place.
