News

From October into November

We're thrilled to announce some exciting changes to strengthen our club and bring even more of you into our journey.

We'd like to welcome **two new members to our leadership team:**

Brian Lutz, and Robert A. Santiago.

Both bring a ton of passion and experience and are the driving forces behind many of the events we've enjoyed this past year. We're very excited to see the impact they'll have as we continue to grow together.

In addition, **we're expanding our Event Committee** to ensure we have better representation from across the state. If you're interested in being part of this team, we want to hear from you. Event Committee members will be responsible for helping boost turnout, creating events in their areas, and coordinating with larger club efforts.

If you're interested in applying, please email nclubga@gmail.com before Saturday, November 9th with the following details:

- Your location within the state,
- Why you would be a great candidate for the position,
- And what you are most passionate about in relation to your car and the N community.

If you wish to nominate another club member instead, drop their name, general location, and why you think they would be a great candidate.

Let's make N Club Georgia the best it can be together! We're looking forward to seeing more new faces, more familiar ones, more events, and more miles on the road.

Thank you for being part of the journey, and here's to exciting times ahead!
