News

From December 2024 into January 2025

IMSA's season opener at Daytona is just around the corner. Signups for coverage of attendance and infield parking through Hyundai are already full and closed. However, if you wish to attend at your own financing and planning, tickets and information can be found below.

Please note that a lot of media and informational coverage of the event will be focused on the "main" event of the weekend, the Rolex 24 of the IMSA WeatherTech Sportscar Championship. However, as far as this club is concerned, our main day of attendance is Friday, January 24th, for the BMW Endurance Challenge at Daytona of the Michelin Pilot Challenge Series, where several teams run Hyundai TCR cars.
